Lower lot was plowed by 1/26 but is not plowed today. Upper lot with 2 handicap spots has not been plowed in four storms. This lot is to the left of Morrill I facing west on Stockbridge Road.

Subject: Parking Lots

Hi Sandra,

Two of the parking lots around Morrill I and IV North have not been plowed. Handicap parking is not accessible for our building and deliveries can not be made to the loading dock. Is this something you can help us with if not who should I contact?

Thanks,
